

## **AMRIS's SOP for Animal Imaging (4.7 T and 11.1 T)**

- Mask all the time in the facility
- Social distancing
  - Schedules of users and staff will be coordinated so they won't be in the room simultaneously under normal circumstances.
  - Instruments calendars will be updated daily to keep all parties informed of scheduled activities.
  - Let staff and the next user in line know if you are running late or such.
- Frequent hand washing
- Regular cleaning
  - Shared items (desk, keyboard, and mouse, etc.) will be sanitized daily or between users.
  - A 2<sup>nd</sup> set of keyboard and mouse will be available for rotating, and users are welcome to bring in your own keyboard and mouse.
